2) Agenda

At the Meeting that was held on 7th April 2023 at 10:30 a.m., we discussed:

- Report on implemented activities on Work Package 1
- Task schedule for team members for the preparation of the Report on the analysis of existing curricula related to electric mobility at higher education institutions in the EU and Western Balkans (WP2: 2.2 Report on analyses existing curricula related to EM in EU and WB HEIs).

3) Discussion

During the meeting, professor Osman Lindov briefed the current members of the PELMOB team on the progress of activities in Work Package 1 (WP1). He mentioned that a list of equipment to be procured for the project has been created and submitted. Additionally, funds have been transferred to the University's account to ensure that travel expenses will be paid regularly without delays.

Furthermore, Professor Lindov emphasized the importance of preparing syllabi for new courses in a timely manner, in order to start the procedure for changing the curriculum as part of the project. It was also decided that two members of the project team will be present in Vienna during the designated period.

4) Conclusion

Next meeting will be held in Vienna in May and two members of the project team will attend the meeting. Participants of the meeting in Vienna will be nominated in the upcoming period.
